GSOC -2023 & Open Source Contributions Guide :

I've come across a variety of helpful resources that I'd like to share with my community. These resources encompass topics such as contributing to **open-source projects, participating in GSOC, system design, full-stack web development, and learning Git and GitHub.** I'm confident that these videos and websites will be beneficial to anyone looking to enhance their skills and contribute to the open-source community. Please take a look and share them with anyone who might find them helpful!

1. **Here are some videos on GSoC and open-source contributions**:

   - "Contributing Live to GSOC 2023: What You Need to Know" for understanding GSoC:
     https://www.youtube.com/watch?v=7KONQRMES2c&t=0s

   - Beginner-friendly bug solving in GSoC:
     https://www.youtube.com/watch?v=26mcAsVeiWs

   - "Adding bugs to organization descriptions in GSoC" to learn about the process of adding bugs:
     https://www.youtube.com/watch?v=hj3oQU1z4P0

   - Finding organizations and projects in GSoC:
     https://www.youtube.com/watch?v=gT-F6W7QbMo

   - A visual representation of finding organizations and projects in GSoC: **https://www.youtube.com/watch?v=01WjB2fMTZA**

   - A video on finding open-source projects:
     https://www.youtube.com/watch?v=L1X5f2ZxN0E

2. **For those interested in web development, here are some helpful resources:**

- Complete **System Design by SudoCode**: **https://www.youtube.com/@sudocode**

- **Full Stack Web Development**:
  - Web Dev Simplified: **https://www.youtube.com/@WebDevSimplified/playlists**
  - Traversy Media: **https://www.youtube.com/@TraversyMedia/playlists**

3. **Here are some resources on Octernships by GitHub:**

- Information on Octernships: **https://education.github.com/students/octernships**
- Introduction video: **https://www.youtube.com/watch?v=Rx8myzgSTg8&t=7s**

4. **Lastly, here are some comprehensive resources for learning Git and GitHub**:

- Series by The Net Ninja: **https://www.youtube.com/watch?v=QKVarScQigI&list=PLUDwpEzHYYLuMNNTu0EdWBeBtXdRhj4Lv**

- An alternative resource by Kunal Kuwashah: **https://www.youtube.com/watch?v=apGV9Kg7ics**

And, for **increased productivity, here's a video on linking VS Code** to GitHub: **https://www.youtube.com/watch?v=AxBu4JARPCM**

-Speranza Community!
